CALLING ALL SUPERHEROES!!!

The Denver community needs you and you have the power to help! This year, in an effort to give back, all participants in the 2018 Western National Roundup will show their appreciation by making a small donation to the Denver Rescue Mission.

We are calling this the “Shazam Bag” and it should consist of the following trial size items:

Shampoo

Soap

Deodorant

Toothpaste/toothbrush

Chapstick

Please place one of each item in a Ziploc baggie and you can make as many bags to turn in as you would like. We will be collecting your baggies at Roundup check-in. Remember your “Shazam Bag”! Many men, women and children will benefit from your SUPERHERO kindness!
